

Roadside Eating -Places

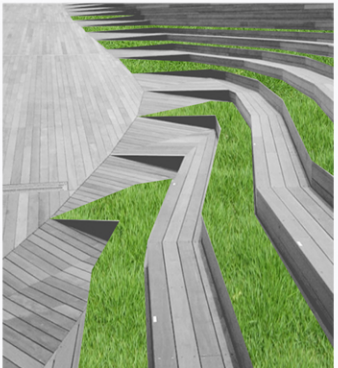

01 Roadside Floor Plan

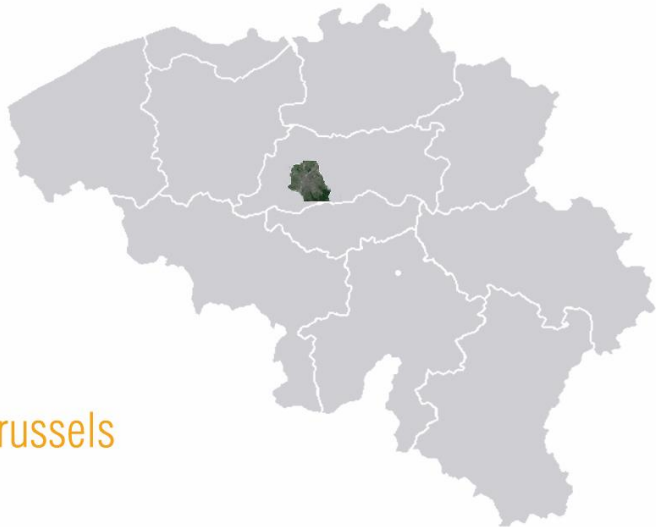

02 Roadside Elevation

03 Roadside Elevation

International Workshop 1

Belgium - Brussels

Workshop: Sint-Katelijneplein

Concept: Eatscape Fieldwork

The objective of this fieldwork was, from the point of view of the foreigner, what is your appreciation of the space that for you is an example of Temporality of Eatscape from a very subjective point. For this we analysed concept, architecture body, material, composition, sound, light, compatibility and surrenders area inter alia.
